

# GOD *is... LOVE*

4.21.2019

## Introduction

Sometimes people believe and say things about God that just aren't true, and we're convinced that some people reject God or have a strained relationship with Him because they have made some wrong assumptions about Him. During this series, we are going to look at who GOD IS really.

## Series Bottom Line

What comes to mind when we think about God is the most important thing about us. – A.W. Tozer

## Getting Started

Share about a time when that you had misconceptions about a person who would later become one of your good friends.

What stood out to you most about this week's message?

## Read John 3:16-17

### Digging In

Chad said this week that one of the biggest misconceptions about God is that He is an angry God. **Psalm 103:8** describes Him differently.

Which way to you predominantly think about God? How do you think you got to that belief?

# GOD *is... LOVE*

God's love is ...

Sacrificial

Unconditional

Merciful

Powerful

How have you wrestled with the question... "Am I good enough for God's love?"

What do you think of when you hear the word "mercy"?

How does your definition match up to what we see about God here?

## Doing It

Who do you wish would know this truth about God?

How are you going to let them know the real God not the one they think they know?

One practical step is our horizontal love. **John 13:34-35**. How will you take your next step in this area this week?
